

I-75 SOUTH REVERSIBLE EXPRESS LANE SCHEDULE OF OPERATION

Georgia DOT and the State Road and Toll Authority (SRTA) operate a reversible system of Express Lanes on I-75 in Henry and Clayton Counties. Below is a schedule showing the directionality of the lanes and the approximate times of the reversals. Please note that the decision to reverse the lane is made on a day-by-day basis taking weather, ongoing incidents, holidays and other criteria into account. *Times will vary slightly each day.* Also, the reversal process takes approximately 60 minutes to complete – meaning that for a short period of time the lanes are technically closed.
